

MILESTONE

# CERTIFICATE

This certificate is awarded to

**Enzo Davidson Tjen**

for completing Milestone **8** as of

**May 2024**

---

**CODING FOR SMP**

Term 8

Thank you for being awesome KodeKiddo Student since **October 2021**

• KodeKiddo Team •

MILESTONE TEST	NI	G	O
Students are assigned to create several Python programs about Sorting and Searching Algorithms on the Grok Learning platform.		✓	
Students are assigned to complete a quiz about algorithms on quizizz.com			✓

STUDENT ASSESSMENTS	NI	G	O
Analytical Reasoning and Logical Thinking		✓	
Pro-activeness and Curiosity		✓	
Creativity and Imagination		✓	
Attitude and Classroom Manner			✓
Collaboration and Teamwork		✓	
Progress and Continuous Improvements		✓	

NI : Need Improvement • G : Good • O : Outstanding

### TEACHER'S NOTE

Congratulations on completing the eighth Milestone test, Enzo! In this quarter, Enzo learned about Computer Science and Algorithms on various platforms, such as Khan Academy and FutureLearn. While learning, Enzo is a diligent student. He is excited to learn more about programming and coding. In the Milestone test, he can make his program to sort all data-related stuff. He was also able to answer a couple of questions from a quiz given. Overall, Enzo has made good progress this quarter. Nice job, Enzo! Keep it up! Link project: <https://tinyurl.com/MIs8-SMP-Enzo>
