Progress and Continuous Improvements		✓	

NI : Need Improvement · G : Good · O : Outstanding

TEACHER'S NOTE

Congratulations on completing the seventh Milestone test, Enzo! In this quarter, Enzo learned about Data structure and Databases on various platforms, such as Code.org and Datacamp. While learning, Enzo is a diligent student. He can finish most of the lessons given by the teachers. In the Milestone test, he can create his own SQL databases on the Khan Academy platform. He is also able to answer a couple of quizzes about databases. Overall, Enzo has made good progress this quarter. Nice job, Enzo! Keep it up! Link project: http://tinyurl.com/MIs7-SMP-Enzo
